WORK EXPERIENCE

Magento Developer

CLD - JANUARY 2021 - JANUARY 2022

A very ambitious one year project aiming to put online a video games merchant website.

Hired as a Magento Lead Developer, I had as a mission to assist the designer by giving feasible guidelines in relation to Magento capabilities.

Implemented the import and maintenance of the product catalog from Akeneo and the management of orders.

Magento Developer

KURT GEIGER | SEPTEMBER 2017 - SEPTEMBER 2019

One of the biggest shopping sites in the Fashion world in England.

I was surrounded by the best in their field, my biggest challenge was to replace the payment module in a very customized checkout.

I also participated in the migration from Magento 1 to Magento 2.
